

Appendix F: State Participation Rates

The following table summarizes the state's maximum participation rates in state funded projects for general project types. The rates apply only to eligible project costs.

General Project Type	State Participation Rate for State Discretionary and Airport Special Funds	Manual Reference	State Participation Rate for State Entitlement Funds	Manual Reference
planning studies and projects	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
environmental studies and projects	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
land acquisitions and services	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
engineering projects	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
design and construction of airside facilities	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
design and construction of landside facilities	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
fueling systems with annual flowage of ≤ 75,000 gallons	2/3 up to \$125,000	A.7 fueling systems	2/3 up to \$125,000	A.7 fueling systems
fueling systems with annual flowage of 75,001 to 150,000 gallons	1/2 up to \$125,000	A.7 fueling systems	1/2 up to \$125,000	A.7 fueling systems
fueling systems with annual flowage of >150,000 gallons	1/3 up to \$125,000	A.7 fueling systems	1/3 up to \$125,000	A.7 fueling systems
maintenance equipment storage buildings	80% up to 1,250 square feet plus 50% of remaining eligible square feet	A.8 maintenance equipment storage buildings	80% up to 1,250 square feet plus 50% of remaining eligible square feet	A.8 maintenance equipment storage buildings
terminal building conceptual studies	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
terminal buildings	based on public-use space	B.4 Terminal Building Design and Construction	based on public-use space	B.4 Terminal Building Design and Construction
terminal area site preparation	80%	B.5 Terminal Area Site Preparation	80%	B.5 Terminal Area Site Preparation
terminal building maintenance - public-use and private-use spaces	based on public-use space	B.6.1 Terminal Building Maintenance	based on public-use space	B.6.1 Terminal Building Maintenance
terminal building maintenance - public-use space only	80%	B.6.1 Terminal Building Maintenance	80%	B.6.1 Terminal Building Maintenance

6

General Project Type	State Participation Rate for State Discretionary and Airport Special Funds	Manual Reference	State Participation Rate for State Entitlement Funds	Manual Reference
terminal building renovation	based on public-use space	B.6.2 Terminal Building Renovation	based on public-use space	B.6.2 Terminal Building Renovation a
terminal building renovation - public-use space only	90%	B.6.2 Terminal Building Renovation	90%	B.6.2 Terminal Building Renovation
terminal building expansion	based on public-use space ratio of expanded space	B.6.4 Terminal Building Expansion	based on public-use space ratio of expanded space	B.6.4 Terminal Building Expansion
terminal building security	90%	B.7 General Aviation Terminal Building Security Systems	not applicable	not applicable
terminal building furniture	100%	B.8 Terminal Building Furniture	100%	B.8 Terminal Building Furniture
access roads	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
perimeter roads	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
DOAV owned F&E systems	100% of DOAV responsibilities	7.2.1 DOAV Owned and Maintained Systems	100% of DOAV responsibilities	7.2.1 DOAV Owned and Maintained Systems
sponsor owned F&E systems	80% of sponsor responsibilities	7.2.2 Sponsor Owned and Maintained Systems	80% of sponsor responsibilities	7.2.2 Sponsor Owned and Maintained Systems
VSP security audits and security plans	100%	8.2 State Participation	not applicable	not applicable
VSP projects	90%	8.2 State Participation	not applicable	not applicable
facility maintenance project	80%	9.2.1 Facility Maintenance Projects	80%	9.2.1 Facility Maintenance Projects
obstruction removal	80%	9.2.1.1 Obstruction Removal	80%	9.2.1.1 Obstruction Removal
purchase of maintenance equipment	50%	9.2.2 Purchase of Maintenance Equipment	80%	9.2.2 Purchase of Maintenance Equipment
maintenance of equipment	50%	9.2.3 Maintenance of Equipment	50%	9.2.3 Maintenance of Equipment
maintenance contracts and repairs related to systems and equipment for FAR Part 139 airports	not applicable	not applicable	80%	9.2.5 Utilization of State Entitlement Funds
snow and ice removal equipment for FAR Part 139 airports	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
snow and ice removal equipment for FAR Part 139 airports exceeding plans	not applicable	not applicable	80%	6.2.1 State Entitlement Funds

General Project Type	State Participation Rate for State Discretionary and Airport Special Funds	Manual Reference	State Participation Rate for State Entitlement Funds	Manual Reference
snow and ice removal equipment for reliever and general aviation airports	50%	9.2.2 Purchase of Maintenance Equipment	not applicable	not applicable
ARFF equipment for FAR Part 139 airports	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
150-pound fire extinguishers for apron	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
ARFF buildings for FAR Part 139 airports	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
ARFF simulator facilities and related equipment	not applicable	not applicable	80%	6.2.1 State Entitlement Funds
airport security facilities, systems, and equipment for FAR Part 139 airports	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
purchase of firearms and body armor for FAR Part 139 airports	not applicable	not applicable	80%	6.2.1 State Entitlement Funds
compliance manuals for FAR Part 139 and TSAR 1542	80%	6.2.2 State Discretionary Funds	80%	6.2.1 State Entitlement Funds
training materials for FAR Part 139 and TSAR 1542	not applicable	not applicable	80%	6.2.1 State Entitlement Funds
improvements and training needed for OSHA compliance	not applicable	not applicable	80%	6.2.1 State Entitlement Funds
aircraft removal systems	not applicable	not applicable	80%	6.2.1 State Entitlement Funds
debt service retirement	not applicable	not applicable	varies	A.21 debt service retirement
promotion projects for air carrier airports with ≤ 25,000 annual enplanements	2/3 up to \$25,000	11.2 State Participation	not applicable	not applicable
promotion projects for air carrier airports with >25,000 annual enplanements	1/2 up to \$25,000	11.2 State Participation	not applicable	not applicable
promotion projects for reliever and general aviation airports with ≤ 25 based aircraft	2/3 up to \$10,000	11.2 State Participation	not applicable	not applicable
promotion projects for reliever and general aviation airports with >25 based aircraft	1/2 up to \$10,000	11.2 State Participation	not applicable	not applicable
development and enhancement projects for medium hub primary airports	1/3 up to \$20,000	12.2 State Participation	not applicable	not applicable
development and enhancement projects for small hub primary airports	1/2 up to \$20,000	12.2 State Participation	not applicable	not applicable

8

General Project Type	State Participation Rate for State Discretionary and Airport Special Funds	Manual Reference	State Participation Rate for State Entitlement Funds	Manual Reference
development and enhancement projects for non-hub primary airports	1/2 up to \$20,000	12.2 State Participation	not applicable	not applicable
development and enhancement projects for commercial service non-primary airports	1/2 up to \$20,000	12.2 State Participation	not applicable	not applicable
development and enhancement projects for reliever non-primary airports	1/2 up to \$20,000	12.2 State Participation	not applicable	not applicable
development and enhancement projects for general aviation non-primary airports	1/2 up to \$20,000	12.2 State Participation	not applicable	not applicable

9

10

11

For federally funded projects for which state discretionary funds will be used, the state's participation rate is 60 percent of the non-federal share of eligible project costs.
